Certified Business Analyst Professional (CBAP®) Certification Exam Preparation

Class Length: 5 Days

IIBA® CPE : 25

Category: Project Management

Program Objectives:

By the end of the program, participants will be able to:

- Demonstrate familiarity with the structure and content of the **BABOK® Guide**.
- Improve your probability of passing the CBAP® certification exam.
- Identify your knowledge gaps through the use of module practice exams.
- Gauge your readiness for taking the exam by **BABOK® Guide** knowledge areas.

Course Synopsis

This workshop enables the participant to be equipped with the necessary knowledge to prepare and qualify the IIBA®'s CBAP® certification exam.

Individuals must meet the IIBA®'s application requirements to sit for the CBAP® exam including work experience, areas of expertise, education and professional development, and references.
